Re: SUP 2010-0079 Francis C. Hammond Athletic Field Lighting Plan-  
Withdrawal Request

Dear Director Hamer,

As the authorized agent of record for the Alexandria School Board, I respectfully request that the Special Use Permit 2010-0079 Francis C. Hammond Athletic Field Lighting Plan be withdrawn.

The School Board intends to construct the replacement field and associated improvements included in the GRD 2011-00026 construction documents approved by the City Department of Transportation and Environmental Services on July 20, 2011. The construction is anticipated to begin in the spring of 2012.

Respectfully submitted,

  
Kevin Van Hise, RLA

Cc: Ms. Margaret Byess, Deputy Superintendent ACPS
